

## Fun With Science

Lawrence Livermore National Laboratory's Discovery Center

Come explore the Discovery Center and take part in the "Fun With Science" program — a fun way to see and participate in science experiments that explain states of matter, air pressure, density, electricity, light and chemistry.

**Experience "Fun With Science" during the summer from 1:30 to 3:30 p.m. on June 10 and 17; July 1 and 15; and August 5 and 12. Note that this summer schedule varies from the regular schedule.**

The Discovery Center is located off Greenville Road on Eastgate Drive in Livermore.
